Student Activities

Randolph Community College, through Student Services, provides activities and services to enhance and broaden the educational experiences of students. While the College maintains a supervisory role over student activities, as specified in the following paragraphs, students are encouraged to take active roles in participation and leadership.

RCC attempts to provide extracurricular activities for students since the College believes that such activities contribute to the overall growth and educational development of an individual. Social activities have included fall and spring flings, and Halloween, Christmas, and Easter projects. Cultural activities have included writers' contests and sponsorship through the SGA of Martin Luther King Jr. remembrance activities. Educational activities have included sponsorship of visiting college representatives, Open Houses, and providing tours to visiting schools. Physical activities have included games at the fall and spring flings and participation in walk-a-thons.

Unless otherwise specified, activities will require the approval of the dean of Student Services or designee and may require notification of additional individuals and/or offices as designated by the dean.

In general, requests should be made in writing at least four weeks in advance. Please check with the dean of Student Services for specific details.

■ Student Government Association (SGA)

All curriculum students of the College are eligible to be represented through the student government. The Student Government Association formulates an annual budget from student activity fee proceeds, directs student elections and holds regular meetings to promote the interests of students.

Student Governance

___ Students are involved in College decision making through their participation on standing committees of the College and ad hoc committees appointed by the College senior leadership team. Their role is to share and discuss views held by students pertaining to any particular topic.
