The May 12, 2009 meeting of the Armadillo Trackers was a meeting to discuss the Relay event at Southwestern Randolph High School on May 15, 2009 and possible events for this year's schedule. Tara gave summary of our Relay for Life account which currently has \$3846.70 in it and proposed that we have a check issued to The American Cancer Society for the amount of \$3500.00 that our team will submit for this fiscal year fund raising efforts. This will leave us with \$346.70 in our account plus whatever we raise during the Relay event at SWRHS.

In this meeting we also agreed on checking to see how much it would cost to do washable hair painting, face painting, and temporary tattoos. For the Relay event we also agreed that we will need towels, washcloths, stools, and bottled water if we do these fundraisers. We also need to fill the cooler with ice and sodas for the Relay event.

The Relay team also wanted to do some brainstorming about possible events for this next fiscal calendar year...June through the May Relay event 2010. The following are some of the ideas that were brought up for consideration: June 30th Cook Out (This is our June event) consisting of Hamburgers/Hot Dogs, Chips, Drinks, Desserts, and Tea (Lisa Hughes is donating the slaw), Faculty VS Staff Softball Game, Cake Walk, October Scary Movie Night (possible double feature), Resurrection of the Fa La La's, Continuation of the Armadillo Magnet and possibly mini armadillo magnets to sell, November 23rd's Thanksgiving Bake Sale, Business

Fair, Crafter's Fair, February 11th's Valentine's Day Bake Sale, March 5th, 6th, and 7th CMS Weekend School with a more simple approach to the spaghetti sauce and see how this works out with Spring Break, Membership Drive for the Armadillo Trackers, and Video clips of possibly Rebecca Dean and Linda King on "What Relay Did For Me" that could be posted on the College Website or under the Relay for Life Armadillo Trackers link so folks here and in the community might better understand the impact Relay for Life can have on lives.
