Ken Fields talked about the EMS Weekend or Weekend School and about going before the Board to get approval to add \$5 to the cost of the registration so we will be able to plan for how many dinners we need to cook for. We also talked about the serving time for the dinner and Jan Hancock was helpful in assuring us that the time line we worked out would work for the cafeteria and Janice Craven. When Ken and Jan got everything worked out

about other arrangements for the EMS Weekend we moved on to the Valentine's Bake Sale, the Faculty/Staff Luncheon, and the RCC Idol Kids. All the event information is tentative but is in the following Events Calendar.
