## FINANCIAL AID

# WE ARE HERE TO HELP YOU

The Office of Financial Aid and Veterans Affairs would like to thank you for your interest in attending Randolph Community College. Our office strives to ensure that no student who can benefit from an RCC education be denied that opportunity due to finances. We are committed to allocating our financial aid resources to help the broadest range of students.

Each year, we help thousands of students and their families plan, apply and pay for college. We strive to tailor students' financial aid packages to their individual needs and goals, and to help them secure every dollar of assistance for which they qualify.

For more information, please visit  
[www.randolph.edu/fin\\_aid](http://www.randolph.edu/fin_aid)

## Interested in applying for Financial Aid ?

Follow the checklist below.

- Gather the information required to apply: current tax information, W2s, driver's license number, social security number, etc.
- Apply for a pin number at [www.pin.ed.gov](http://www.pin.ed.gov). If you are a dependent, one of your parents will also need to apply for a pin number
- Access FAFSA on the web at [www.fafsa.gov](http://www.fafsa.gov) and choose "Fill out a FAFSA"
- Choose appropriate school year and begin your FAFSA
- At the end of the FAFSA, you will need to enter our school code which is 005447
- Submit your FAFSA and make sure you receive a confirmation number
- Complete an application for admission to the college. We cannot receive your FAFSA information until this step is completed
- Have all transcripts sent to the Admissions Office including any high school, GED, Adult High School Diploma, or college transcripts
- Set up a placement test, if applicable. Official test scores of other comparable tests less than three years old from any college will be accepted at RCC. College applicants must take the test if they do not have SAT scores of 480 for reading, writing and/or math (exempt from numerical skill & elementary algebra) and 520 for math (exempt from developmental math) and/or transferable credits in college level English and math (or comparable ACT scores).

Your FAFSA will be processed and you will receive an e-mail with a link to your Student Aid Report (SAR). If you did not provide an e-mail address, you will receive your SAR by mail. Once the school receives your information, we will contact you by letter to let you know what to do from there.
