Disclaimer

I understand and adopt that all design solutions are submitted by students enrolled in the Interior Design Program at Randolph Community College for non pay. Finished design solutions may not address all my design needs due to budget, timeline, or parameters of the Interior Design Program. Budgets are based on estimates and may not be an exact representation of the total cost due to labor. Drawings are conceptual in nature and it is my responsibility to consult with an architect, engineer, or contractor before starting any project. I do not hold any party of Randolph Community College responsible for non-intentional negligence.
