Apply to RCC

Your step-by-step guide to completing the CFNC application.

1 Visit RCC's website

Go to www.randolph.edu.

Click the blue **Apply Now** button on the homepage.

2 Choose "New College Student"

Under **What's Your Path to RCC?**, find the **New College Student** card and click **Apply for Admission**.

You'll be redirected to CFNC (College Foundation of North Carolina).

3 Log into CFNC

Use your existing CFNC username and password. If you forgot them, use **Forgot Username** or **Forgot Password**.

IMPORTANT: Don't create a new account if you already have one! If you're locked out or unsure, contact CFNC support to avoid duplicate accounts.

4 Complete the CFNC application

Answer the personal questions carefully.

Near the end, you'll be asked for your Residency Certification Number (RCN).

5 Get your Residency Certification Number (RCN)

Click the link in the application to visit ncresidency.org.

Log in and check your profile. Make sure your Social Security Number, citizenship status, address, and other personal information are correct and up to date.

Click **Complete Residency** and answer all questions carefully.

Once you receive your RCN, return to CFNC and enter it in your application.

Your next steps

Submit your application and prepare to get started.

6 Submit your application

After adding your RCN, submit your application. You're almost there!

7 Send your transcripts

Request your official high school transcript from your high school, plus a college transcript if you earned college credits.

Ask your school to send them electronically to rccreg@randolph.edu or mail them directly to RCC.

8 Wait for acceptance

Once RCC receives everything, you'll receive an email and a letter by mail confirming your acceptance.

9 Meet with your Student Success Navigator

After acceptance, schedule a time to meet with a Student Success Navigator.

You'll review your class schedule and talk about your goals.

NEED HELP?

If you get stuck, contact the RCC Admissions Office.
