

## RCC RIASEC to Program Map

### What is your RIASEC score?

Many programs have transfer options; please work with your advisor. All RIASEC categories may include AA/AS transfer programs.

Career research indicates that people are more satisfied with their career choice if it corresponds to their higher RIASEC scores.

#### Realistic (R)

Automation Engineering Technology, Automotive Systems Technology, Collision Repair & Refinishing Technology, Computer-Integrated Machining, Electrical Systems Technology, Fire Protection Technology, Manufacturing Technology, Photographic Technology: Commercial Photography, Photographic Technology: Photojournalism, Photographic Technology: Portrait Studio Management, Radiography, Welding

#### Social (S)

Cosmetology, Cosmetology Instructor, Early Childhood Education, Early Childhood-Infant Toddler, Human Services Technology, Human Services Technology/Substance Abuse Concentration, Manicuring/Nail Technology, Medical Assisting, Medical Office Administration, Nursing

#### Investigative (I)

Automation Engineering Technology, Automotive Systems Technology, Collision Repair & Refinishing Technology, Criminal Justice Technology, Human Services Technology/Substance Abuse Concentration, Information Technology, Mechatronics Engineering Technology, Nursing

#### Enterprising (E)

Accounting and Finance, Advertising & Graphic Design, Agribusiness Technology, Business Administration, Business Administration: Human Resource Management, Interior Design

#### Artistic (A)

Advertising & Graphic Design, Cosmetology, Cosmetology Instructor, Early Childhood Education, Early Childhood-Infant Toddler, Human Services Technology/Substance Abuse Concentration, Interior Design, Manicuring/Nail Technology, Photographic Technology: Commercial Photography, Photographic Technology: Photojournalism, Photographic Technology: Portrait Studio Management

#### Conventional (C)

Accounting and Finance, Business Administration, Business Administration: Human Resource Management, Computer-Integrated Machining, Criminal Justice Technology, Electrical Systems Technology, Human Services Technology, Information Technology, Mechatronics Engineering Technology, Medical Assisting, Medical Office Administration, Radiography, Welding
