**Approval of Continued Eligibility**

After thorough review, the institution approves the student's continued eligibility. The Office of Financial Aid and Veterans Affairs may choose to require the student to establish an academic plan, similar to the type of plan used to resolve satisfactory academic progress (SAP) appeals as provided in the regulations at 34 CFR 668.34(c) and (d). The Office of Financial Aid and Veterans Affairs may also wish to counsel the student about the Pell Grant duration of eligibility provisions [Lifetime Eligibility Used (LEU)] and the impact of the student's attendance pattern on future Pell Grant eligibility.

**Denial of Continued Eligibility**

After thorough review, the student did not earn academic credit at one or more of the relevant institutions and did not provide, to the Office of Financial Aid and Veterans Affairs' satisfaction, an acceptable explanation and documentation for each of those instances where academic credit was not earned. Therefore, the student is denied any additional title IV, HEA program assistance. Should the student wish to appeal the decision, they must write an appeal statement for the Asst. Director of Financial Aid and Veterans Affairs.
