The provided criteria for "dependent children" or "other persons" mirror with the requirement that family size align with whom the student could claim as a dependent on a U.S. tax return if the student were to file a U.S tax return at the time of completing the 2026-2027 FAFSA. As a result, the student should not include any unborn children in the family size. If more space is needed, provide a separate page with the student's name and ID number at the top.
