Cancellation Statement

I understand that by submitting this form, I am requesting the RCC Office of Financial Assistance cancel the authorization to apply financial assistance funds to cover other educational charges beyond tuition and fees, such as books and supplies.

I understand that RCC charges not paid by the fee payment deadline established by the RCC Business Office may result in the cancellation of classes. Furthermore, I understand that net educational charges accrued at RCC once these funds have been disbursed will be my responsibility.

I understand that this notification must be provided to the Office of Financial Assistance. Furthermore, I understand that this cancellation is not retroactive—it takes effect on the date that the school receives it. If authorized charges were incurred before this form is received by the school, the school may use financial assistance funds to pay those charges.

My signature confirms that I have read and understood all instructions and that I have provided accurate, complete, and current information.
